***Call to Worship**

Liturgist, Sue Alberts

L: Come into this household of the living God, the Three in One.
Gather in the wonder of the mystery that God has invited us to share in.

P: We have come as the family of Christ, led by the Spirit of God.

L: Ascribe to the Divine glory and strength; ascribe to God the glory that is due. Worship the Triune God in the Beauty of Holiness. (Adapted from Psalm 29)

P: Our hope is that in this time of worship and learning, we might embrace what lies beyond our imagination and understanding.

*Hymn No. 138 "Holy, Holy, Holy! Lord God Almighty!"

*** Unison Prayer of Confession**

Holy One, we acknowledge that too often we try to live not acknowledging the mystery of your Being. Even though you have shown us your truth, we allow ourselves to rest in our own uncertainties. We find ourselves unable or unwilling to embrace the love through which you sent Christ to live among us. We take for granted the grandeur of you as Creator, of Christ as Redeemer, and of the Holy Spirit as ever-present sustainer. We do not live out the beloved community you desire for all. Forgive us, we pray, and help us give testimony to your love.

May 2018

Friends and Members of First Presbyterian Church,

As everyone knows the flat portions of our roof have been plaguing us with leaks for quite some time. Last winter Mike Prenzlow, Wayne Trom, and others shoveled snow off the roof and worked to keep the heat tapes working. A lot of work to help reduce the leaks. Previous winters I also shoveled off the roof and helped maintain the heat tapes with Dick Hewitt, from then till now I noticed deterioration of the roof. There are depressions in the roof material before some of the drains. Areas of the roof flow away from the drains and it is only going to get worse.

The time is unfortunately here to repair the roof. The price tag for replacing the membrane, adding overflow drains, new vapor barrier, foam base layer and tapered foam on top of that to help move water to the drains faster, disposal of old roof and raising the curbs around the roof will cost \$37,500 . There will be additional expenses like roof drains, raising exhaust fan base, raising plumbing vents and disconnecting a/c units. There may be other expenses such as the roof deck sheeting if there is rot from the leaking we have had over the years. Our church deserves this roof and your help is needed help to get this project done. With even an extra dollar in the cup after church or a donation of any amount, I believe we will make this happen. Work should begin in early August. Thank you and God bless.

Sincerely,

Troy Andrist

Elder, Co-Chair of the Property Committee
